End-to-end solutions
From Concept to Commercialization

Faster Time to Market
Responsive, Agile and Flexible

World Class Quality Performance
Your Trusted Partner for Quality and On-time Delivery

Start Up. Speed Up. Scale Up.

Life Science Outsourcing is a performance-driven Contract Manufacturing Organization. Our unique model leverages in house end-to-end solutions and service offerings, coupled with deep regulatory knowledge. This allows us to provide the agility and flexibility that customers need to accelerate their go to market launches, while streamlining their supply chain and mitigating risk.

Our core services include: assembly, packaging, sterilization, reagent packaging & design, thermoforming, and resorbables.
